*Proceedings of the Madras Government, Judicial Department,
21st August 1866.*

Read the following papers :—

No. 204. From the Inspector General of Police, to the Chief Secretary to Government, Fort Saint George ; dated Kotagherry, 28th July 1866, No. 1218.

Audit Department.

I have the honor to request the sanction of Government for the payment of milcage, at 3 Annas per mile, to European Head Constable W. McDonald, lately transferred on the Public Service from the South Arcot to the Madras District.

2. The existing rules do not provide for payment of batta, on transfer, to grades below the rank of Inspector. But I am informed by the Deputy Accountant General that, possibly, their cases may be provided for in the general travelling allowance rules now under preparation.

Referred to the Accountant General, for his remarks.

FORT SAINT GEORGE,
4th August 1866.

(Signed) A. J. ARBUTHNOT,
Chief Secretary.

No. 205. From the Accountant General, Madras, to the Chief Secretary to Government, Fort Saint George ; dated Fort Saint George, 9th August 1866, No. 146.

Post Audit Department.

In returning the letter received under endorsement of 4th instant, the undersigned has the honor to say that Ministerial Officers in general seem entitled to a mileage when removed, provided the removal have been ordered without reference to their wishes and without promotion. There seems no reason to except Police Officers from this privilege, save that they have never profited by it, and it may be doubted whether it is worth while to make a new special rule, just when general rules are expected from the Supreme Government ; as, for years, men have been moved without allowances, there can be no special hardship or grievance in passing over the present case. The only mileage allowance recognized by the Government of India for Uncovenanted Servants is at 4 Annas a mile, no matter how high their rank ; other Governments have fixed for Ministerial Officers a rate of 2 Annas a mile, as has been done here for School Masters appointed from a Normal School. The principle on which the Inspector General proposes 3 Annas is not known.

No. 206. ORDER THEREON, 21st August 1866, No. 1284.

Communicated to the Inspector General of Police, with reference to his letter of the 28th ultimo, No. 1218.

2. The Governor in Council is unwilling to go beyond the existing rules, pending the receipt of the general rules as to travelling allowances referred to by the Accountant General.
