No. 236. Read the following letter from the Commissioner for the Government of the Territories of His Highness the Maharajah of Mysore, to the Acting Chief Secretary to Government, Fort Saint George; dated Bangalore, 7th August 1866, No. 111.

With reference to your letter, No. 911, dated 7th June 1866, I have the honor to forward, for submission to His Excellency the Governor in Council, copy of a letter, No. 80, dated 28th ultimo, from the Judicial Commissioner of Mysore, with copies of its enclosures, and to request that the detailed information therein solicited, regarding the amount of crime reported to have occurred within Mysore limits, may be supplied.

From C. B. SAUNDERS, Esq., c. b., Judicial Commissioner, to the Secretary to the Commissioner, Mysore; dated Camp Mysore, 28th July 1866, No. 80.

I have the honor to forward, for the information of the Commissioner, copy of a letter General No. 133, dated 25th instant, from the Officiating Superintendent of the Ashtagram Division to my address, as well as of the correspondence to which it gave cover, from which it will be observed that the Police authorities under the Madras Government have brought to notice that the road between Bundipoor and Tippoocondoo, which leads to the frontiers of the Madras Districts, is seriously infested with highway robbers, and to request, in the event of the Commissioner concurring in the advisability of the measure, that a communication may be addressed to the Madras Government, requesting them to call upon the Police authorities referred to, to furnish particulars of the serious amount of crime which has been brought to their knowledge, as having occurred upon that portion of the road which falls within the territorial limits of the Mysore Province, as it is very desirable that the accuracy or otherwise of the facts stated, and of the Crime Returns furnished by the Police authorities of this Province, should be satisfactorily ascertained and tested, as far as may be practicable.

From C. ELLIOT, Esq., Acting Superintendent Ashtagram Division, to the Judicial Commissioner, in Mysore, Bangalore; dated Mysore, 25th July 1866, No. 111.

I have the honor to forward, herewith, copy of correspondence* on the subject of establishing a police station at Keekanahulla, and to request the favor of your obtaining information as to the grounds on which Major Morgan states that "not a day passes, that two or more

"highway robberies do not take place between Bundipoor and Tippoocondoo" (8 miles), and Mr. Robinson "that these robberies occur as far up the road as Goondulpett"; as particulars would be useful in enabling this office to ascertain and test the correctness of the Crime Returns received from the District. It appears fair also that the accuracy of such statements should be tested.

From the Acting Deputy Superintendent, Mysore District, to the Superintendent Ashtagram Division; dated Mysore, 19th July 1866, No. 133.

In reply to your letter No. 111 of the 19th ultimo, I have the honor to report, that the Amildar of Goondulpett Taluq has been directed to send 6 peons, 2 from each of the stations noted in the margin, and 1 Duffadar from Goondul

Goondulpett, Hungolah, Bundipoor.

Keekanahulla, and to relieve them fortnightly, as the place is known to be very sickly.

2. The Amildar has been called upon to report whether the instructions issued, regarding

the Patrols to be sent from the Biradaries of Sowars stationed at Goondulpet and Bundipoor, are carried out. These Patrols, if properly conducted, should ensure the safety of passengers and traffic within the Mysore territory.

3. The Amildar has been directed to push the patrols of Sowars to Tippoo-caudoo.

4. I have to suggest that one Duffadar and 10 more peons be allotted to the Goondulpett Taluq, in order to strengthen the Stations at Bundipoor, Hungolah, and Keekanahulla. This Taluq has the allotment of peons of a 4th Class Taluq, i.e. 60, but it is a straggling and jungly one; more men are, therefore, in my opinion, necessary.

5. I beg to request your sanction to the measures taken, and your recommendation to the increase proposed.

6. The enclosure (Letter, No. 911, of the 7th June 1866, from the Acting Chief Secretary to the Government of Fort Saint George, to the Commissioner) is herewith returned.

From the Acting Superintendent, to the Deputy Superintendent, Mysore District; dated Mysore, 24th July 1866, No. 1311.

With reference to your letter, No. 1311, of the 19th instant, I have the honor to approve of the arrangements made by you for the safety of the line of road between Bundipoor and Tippoo-caudoo, and to request you will be so good as to inform me whether the increase required could not be furnished from some of the other Taluqs, where the strength of the Police is greater than their requirements, as our scale, under more perfect organization, is greater than will hereafter be necessary.
