23rd August 1866.

No. 247. Read the following letter from the Inspector General of Jails, to the Chief Secretary to Government, Fort Saint George; dated Ootacamund, 9th August 1866, No. 56.

I have the honor to transmit, herewith, the Statement of State Prisoners for the half-year ending 30th June 1866, as well as the Annual Reports for 1865 of those under detention and surveillance in the Madras Presidency, prepared agreeably to the Orders of Government, dated 6th June 1860, and 10th December 1861, Nos. 720 and 1516.

<i>Ganjam.</i>					
Tebboo.....	Bellary.....	Orderly.....	Good.....	These men were Poms under the Gybah Dundasah, and were actually engaged in the sedition raised by him. They were charged with having incited certain Sowahs, two of whom were executed and three transported for life, to commit a murder. The evidence, however, was not considered sufficient to ensure their conviction before the Session Court.—Extract Minutes of Consultation, 2nd February 1856, No. 101.	In Proceedings, 19th December 1859, No. 1631, the Government declared they could pass no Orders as regards them.
<i>Malabar.</i>					
Narrakaputhenvilil Syed Mahomed Coya Kutty.....	Guntur.....	Good.....	Good.....	These Moplahs were made State Prisoners in Extract Minutes of Consultation, 25th April 1856, No. 424, for complicity in the assassination of Mr. H. V. Connolly, Collector and Magistrate of the District. The Government declared that the period of confinement in each case must depend upon circumstances; but to produce the due effect upon the parties themselves and on others, it may be necessary to prolong it in the worst cases to the most distant date consistent with the intention of the Act. Notes of the characters given to them by the Joint Magistrate were made from his report, as also his opinion as to the term of imprisonment to be awarded to each as a guide to Government. In the address used in the name of Government it was to be pointed out to the Moplah population that the period of detention for those who were deported would greatly depend on the future conduct of their countrymen in Malabar.
