*Proceedings of the Madras Government, Judicial Department,
24th August 1866.*

No. 257. Read the following letter from the Registrar General of Assurances, Madras, to the Chief Secretary to Government, Fort Saint George; dated Madras, 6th August 1866, No. 224.

I have the honor, with reference to the Government Order, No. 963, of the 20th June, to annex a copy of correspondence with the Collector of Malabar, from which it will be seen that it does not seem advisable to amalgamate Goodaloor with any other Sub-District.

From the Registrar General of Assurances, Madras, to the Collector of Malabar; dated Madras, 15th June 1866, No. 164.

I have the honor, with reference to the annexed copy of my letter, No. 142, of the 9th instant, to the Chief Secretary, to request the favor of your informing me whether any change could, in your opinion, be made with advantage in the Sub-Registry Office of Goodaloor, either by transferring the Office to some other station or by appointing some other person than the Sub-Magistrate as Sub-Registrar.

2. I shall also be obliged by your informing me whether there is any probability of the Sub-Magistrate being provided with a tiled Cutcherry.

From the Collector of Malabar, to the Registrar General of Assurances, Madras; dated Calicut, 26th July 1866, No. 2255.

Adverting to your letter of the 15th ultimo, I have the honor to state that I do not think the Office of the Sub-Registrar of Goodaloor can be conveniently or advantageously transferred.

2. The clerk gets Rupees 20. If his pay is raised to Rupees 50, the services of a man competent to register, in the absence of the Sub-Magistrate, might perhaps be secured.

The erection of a new office building at Goodaloor is under consideration, but no immediate provision has been made for its commencement, nor has the work been sanctioned.

3. I may take this opportunity of observing that there has been even less accommodation at Vytry than at Goodaloor. But an excellent building has been almost completed at the former place, and will be fit for occupation in a few months. A clerk competent to register during the absence of the Sub-Magistrate is as much required at Vytry as at Goodaloor.

4. Even this arrangement would be but a makeshift, for the official establishments in Wynaad want strengthening and reorganization throughout.

No. 228.

ORDER THEREON, 24th August 1866, No. 1322.

To be recorded.
