*Proceedings of the Madras Government, Judicial Department,
27th August 1866.*

No. 259. Read the following letter from the Magistrate of Bellary, to the Chief Secretary to Government, Fort Saint George; dated Bellary, 6th August 1866, No. 58.

In reply to Government Order, dated 30th July 1866, No. 1165, requesting me to state whether the accused is a British subject, or whether he belongs to any of the other classes described in Section 2, Act I of 1849, I have the honor to state that the accused is not a British subject, or belonging to any of the other classes of persons described in the Section referred to, but that Section 14, Act VII of 1854, is applicable to the case in question.

No. 260. ORDER THEREON, 27th August 1866, No. 1325.

The Governor in Council observes that Act VII of 1854 would not apply, unless the offence charged were heinous, within the meaning of either of its two Sections, 21 and 22. In the present instance, neither Section applies, as the offence is stated to be only escape from lawful custody. The case is, therefore, one in which, as the Law now stands, the Hyderabad Government cannot claim to have the prisoner surrendered.
