Magistrate of District.

No. 286. ORDER THEREON, 27th August 1866, No. 1337.

The Government are unable to comply with Mr. Carmichael's application. Deputy Collectors in charge of the Salt Department have ample employment as such, if they properly attend to their duties, and it is objectionable in principle that they should Magisterially deal with cases connected with the Department for the due administration of which they are personally answerable.
