*Proceedings of the Madras Government, Judicial Department,
27th August 1866.*

No. 287. Read the following letter from the Inspector General of Police, to the Secretary to Government, Fort Saint George ; dated Madras, 22nd August 1866, No. 1376.

General Department.

One of the personal allowances of Rupees 100 has become vacant by the removal of Captain Gordon to the Jail Department. I would recommend that the available allowance be conferred on Captain Carr, Assistant Inspector General of Police, there being no District Superintendent with any special claim to it.

2. Of the qualifications of this officer I need scarcely write. They are obvious to the Members of Government, and can be testified to by the Secretaries. As his immediate superior, I can only add that nothing can exceed the ability and assiduity with which, for more than six years, this able and conscientious officer has discharged his very arduous duties as Assistant Inspector General of Police.

3. He is now, with three or four exceptions, the oldest officer in the force ; and had he been a District Officer, would have been a Deputy Inspector General, or very near his promotion to that grade. As it is, he has harder work and less pay than most officers in the country, while the expences of Madras are very great as compared with the Mofussil.

4. I, therefore, trust that Government will be pleased, as a special case, to give a favorable consideration to this recommendation.

No. 288.

ORDER THEREON, 27th August 1866, No. 1338.
