*Proceedings of the Madras Government, Public Works Department,
20th August 1866.*

No. 407. Read the following letter from the Officiating Superintending Engineer, 8th Division, to the Secretary to Government, Department Public Works, dated Kodikarnel, 1st August 1866, No. 569 :—

1. I have the honor to submit, for sanction, two revised estimates of Rupees 670 and Rupees 700 with comparative statements, for constructing Police Station-houses, at Chinnamanoor and Nuttum, in the Madura District.

2. The original estimates of Rupees 570 and Rupees 620, which were sanctioned in G. O. No. 293, of the 25th January 1866, were prepared last year by the Superintendent of Police, who had proposed to carry out the works himself, but subsequently asked this Department to execute them. The Range Officers then represented that the rates given in the original estimates were insufficient; and furnished revised estimates, in which the rates alone are corrected, there being no alterations required in the quantities.

3. The revised estimates have been approved in the Office of the Inspector General of Police. There was an expenditure in the past year of Rupees 150 on the Nuttum Station-house, but none at Chinnamanoor; I have therefore to request the sanction of Government to the two estimates, aggregating Rupees 1,370, and for the expenditure of Rupees 1,220 in the current year, out of the sum of Rupees 1,500, entered in the Budget, Part II, Civil Buildings, Police Stations.

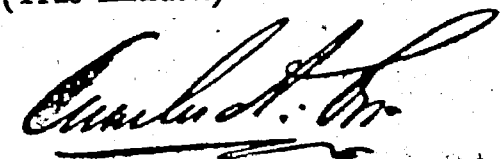

No. 408. ORDER THEREON, 20th August 1866, No. 2,610.

CIVIL WORKS, No. 68.

1. Under the explanation afforded by the Superintending Engineer of the 8th Division, the Government sanction the revised estimates of Rupees 670 and 700 respectively for the construction of Police Station-houses at Chinnamanoor and Nuttum in the Madura District.

2. The current year's outlay on the works will be defrayed from the source mentioned by the Superintending Engineer.
