Proceedings of the Madras Government, Judicial Department,
30th August 1866.

No. 359. Read the following letter from the Commissioner of Police, Madras, to the Chief Secretary to Government, Fort Saint George ; dated Madras, 27th August 1866, No. 86.

I have the honor to request sanction for the expenditure of a sum of Rupees (42) forty-two in providing stretchers, to be kept at the principal Station-houses in each Police Division of Madras.

2. The Medical Officer in charge of the General Hospital recently brought to my notice that cholera patients are frequently brought to that Institution by the Police in Jutka bandies, which must necessarily become tainted with excreta, and thus prove a source of danger to the public. The stretchers are much better adapted to the purpose, and can easily be purified. They are also very useful in conveying sufferers from fractured limbs to the different Hospitals.

3. The sum required, Rupees (42) forty-two, can be provided from the estimate for contingent expenditure.

No. 360. ORDER THEREON, 30th August 1866, No. 1359.
