*Proceedings of the Madras Government, Judicial Department,
3rd September 1866.*

No. 32. Read the following letter from the Registrar General of Assurances, Madras, to the Chief Secretary to Government, Fort Saint George ; dated Madras, 21st August 1866, No. 240.

The designation of the District and Deputy Registrars having been changed by Act XX of 1866, into Registrar and Sub-Registrar, I requested the Mint Master, either to alter the old seals, so as to bring them into conformity with the provisions of Section 15, or to furnish me with new ones.

2. It having been found impracticable to alter the old seals, new ones were prepared. After some of these had reached me, I found that the inscription prescribed in Section 15, of which a copy was furnished to the Mint Master, viz., "The seal of the Registrar" (or of the Sub-Registrar) "of—", had been abbreviated into "Registrar (or Sub-Registrar) of—".

3. Lieut-Colonel Wilkieson, in the accompanying letter, explains that, by some oversight, the design for the new seals was not communicated to me before the work was put in hand, and, as the seals are now nearly completed, he suggests that their use should be legalized, under Act VI of 1865.*

* Madras Act.

4. I beg therefore to request that Government will sanction the use of these seals.

From Lieutenant Colonel C. V. WILKIESON, R. E., Acting Mint Master, to the Registrar General of Assurances ; dated Fort Saint George, 13th August 1866, No. 110.

With reference to your letter, No. 226, of the 6th instant, I have the honor to state that it was intended that the design for the new seals should be first submitted before the work was put in hand ; by some oversight in this department, this was neglected.

2. The design of the seals for your Department is similar to the Official seals in use in the Revenue and Magisterial departments, which are now made without the whole wording required according to Regulations, and an Act has been passed to legalise there use, copy of which is herewith enclosed.

3. The seals are all nearly completed, and if you apply to Government to authorise their use, it will, I doubt not, be at once sanctioned.

No. 33. ORDER THEREON, 3rd September 1866, No. 1379.

As the Madras Act referred to cannot over-ride an Imperial Act of later date, which Act XX of 1866 is, the Governor in Council directs that fresh seals be made up, in conformity with Section 15 of the latter enactment.
