Proceedings of the Madras Government, Judicial Department,
5th September 1866.

No. 53. Read the following letter from the Magistrate of Bellary, to the Secretary to Government, Fort Saint George; dated Bellary, 30th August 1866, No. 63.

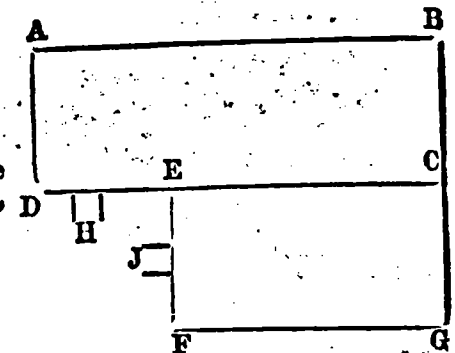

In forwarding the accompanying copy of a letter, No. 104, dated 22nd instant, from the Acting Joint Magistrate, for information, I have the honor to inform you that, under the circumstances therein reported, I have sanctioned the arrangement and expenditure alluded to therein.

From the Acting Joint Magistrate, Bellary, to the Magistrate of Bellary; dated Bellary, 22nd August 1866, No. 104.

I have the honor to inform you that, in consequence of Cholera having broken out in the Hindoopoor Jail, I gave orders to the Tahsildar to take a house on rent. He has reported that there is no house to be got. The Subsidiary Jail consists of two rooms, A. B. C. D., C. E. F. G., for men and women, respectively.

H. J. are the doors.

A. B. = 5½ yards... }
C. D. = 3½ „ ... } A. B., B. C. G. are stone walls quite
C. E. = 4½ „ ... } closed : A. D., D. E., E. F.,
C. G. = 2½ „ ... } F. G. are open wooden work.

The height is about 10 feet.

At present there are three women, and to-morrow there will be 34 men; but 10 or 12 more are expected—they have been arrested. In this emergency, I have directed the Tahsildar to set apart a portion of his Record-room. It will require some wood work to separate this from the records. This will cost some 10 Rupees, say perhaps a little more—I cannot tell yet. I request sanction for this arrangement, and expenditure. The cost is small, as the work is not intended to be permanent.

The Maduksira Jail has also Cholera. I have sent word to the Tahsildar to take a house, if he can get one. I have also told the Anantapoor Tahsildar, if necessary, to take a house to relieve the Jail, without waiting for orders. I have done this latter in consequence of a possibly large increase in his Prisoners, as I am afraid to take any cases to Maduksira, whither I wish, if possible, to go; but it is doubtful yet whether I can get bandies to take my office and records there, as Cholera is there so bad.

No. 54. ORDER THEREON, 5th September 1866, No. 1389.
