*Proceedings of the Madras Government Judicial Department,
22nd September 1866.*

No. 195. Read the following letter from the Accountant General, Madras, to the Secretary to Government, Fort Saint George; dated Fort Saint George, 6th September 1866, No. 194.

The salary of the appointment of Sub-Magistrate of Colasakarapatam having been raised under the operation of the Honorable Mr. Pelly's scheme from Rupees 65 to Rupees 100 per month from the 16th October 1865, I have the honor, at the instance of the Treasury Officer, Tinnevely, to request that I may be informed whether the Government intend that the arrears of pay, which Alagasoodrum Pillay has been authorized to draw from the date of his removal to that of his restoration to the above appointment (vide Government Order, Judicial Department, No. 1242, dated 10th ultimo), should be calculated at the lower or the higher rate.

2. The man has already been severely punished on a charge which has since been pronounced to be "a pure concoction," and it seems to me that it would be very unjust to withhold pay which, but for that charge, he would clearly have drawn from the date above specified.

No. 196. ORDER THEREON, 22nd September 1866, No. 1470.

As the Sub-Magistrate referred to is entitled to the full benefit of his acquittal, the Governor in Council directs that the full sanctioned salary of the office be passed to him.
