No. 209. Read the following letter from the Commissary General, Madras, to the Secretary to Government, Military Department, Fort Saint George; dated Madras, 21st September 1866, No. 3230.

A party of 200 convicts will leave Madras on the *Sir Robert Sale* about the 1st proximo, and in accordance with present rules, a three months' stock of provisions should be sent with them for use after their arrival.

2. But taking into consideration the present state of scarcity in Madras, and the fact that Port Blair is close to the Burmah coast, where large supplies are always procurable, I beg to propose that the three months' supply of rice for these men be not shipped on this occasion.

3. All the other articles of provisions, except the rice, might be shipped.

4. The favor of an early reply is requested.

Transferred to the Judicial Department.
