*Proceedings of the Madras Government, Public Works Department,
19th September 1866.*

No. 490.

Dated 19th September 1866, No. 3,006.

CIVIL WORKS, No. 90.

The notice of Government having been attracted by the slow progress which is being made with the construction of the Central Jail at Rajahmundry, they desire that the Superintending Engineer of the 1st Division will give his immediate attention to that building, and press on the completion of the work. As it appears Rupees 2,799-11-2 only were expended during the month of July last, the work done in that month seems to have been very small. It is of great importance that the enclosure wall should be completed with as little delay as possible.
