*Proceedings of the Madras Government, Judicial Department,
24th September 1866.*

No. 242. Read the following letter from the Commissioner of Police, to the Secretary to Government, Fort Saint George; dated Madras, 17th September 1866, No. 95.

A person named P. Moonesawmy Moodelly, Dubash to Messrs. Parry and Co., has been found in possession of two pieces of cannon, which are sunk in the ground as props to a wall. He states that they were given to him by the Captain of a Vessel, and that he did not know that a license was required. He now asks for a license.

2. I do not doubt his statement, but he has infringed the provisions of the Arms Act, and as there seems no reason why any such license should be granted, I have the honor to request permission to have the guns burst by the Ordnance Department.

No. 243. ORDER THEREON, 24th September 1866, No. 1494.
Permission granted, accordingly, to have the guns burst.
