*Proceedings of the Madras Government, Judicial Department,  
25th September 1866.*

No. 269. Read the following letter from the Acting Magistrate and President of the Kurnool Municipal Commission, to the Chief Secretary to Government, Fort Saint George; dated Kurnool, 15th September 1866, No. 44.

In accordance with the instructions conveyed in the accompanying telegram from your office, an additional charge of Rupees 144 was incurred for Conservancy Establishment during the recent outbreak of cholera. Is it intended that this should be borne by the Municipality? I trust not, as the Act only came into operation on the 1st ultimo, and the charges at present are very heavy. A regular staff of sweepers, twelve in number, with a Superintendent, is kept up by the Commissioners.

Telegram from the Acting Chief Secretary, Madras, to the Civil and Session Judge, Kurnool; dated 3rd July 1866.

*Service.—Precedence.*—If cholera does *not* decrease, organize temporary hospitals outside, and Dispensaries within Town. Try house to house visitation, for early treatment of cases. Keep liberal Conservancy Establishment (*not* prisoners) for cleaning town.—Telegraph daily.

No. 270. ORDER THEREON, 25th September 1866, No. 1507.

The sum of Rupees (144) one hundred and forty-four is sanctioned as a public charge.
