*Proceedings of the Madras Government, Judicial Department,
25th September 1866.*

No. 274. Proceedings of Government, dated 25th September 1866, No. 1510.

The Governor in Council requests that the Sanitary Commissioner will, on the completion of the duty of selecting a site for the Jail at Trichinopoly, proceed to Bellary and Kurnool, visit the most distressed parts of both Districts, and, in concert with the local authorities, initiate fresh and improve existing arrangements for the relief of distress; the employment of the able-bodied poor, and the preservation of the public health.

2. The Government have sanctioned every measure of relief proposed by the Collector, and the Famine Fund Committee have made large grants of money for the same purpose.

3. Any further assistance that may be found necessary will be readily accorded, and where delay must be avoided, the sanction of Government may be anticipated.

4. Mr. Ellis should proceed, in the first place, to the town of Bellary, where the Collector and Superintending Engineer will be instructed to meet him, and to afford him every assistance and co-operation. Mr. Wedderburn, if that is consistent with the performance of his other duties, will accompany Mr. Ellis in his tour, and if prevented will depute an experienced Assistant for the purpose.

5. The Collector of Kurnool will follow the same course, when Mr. Ellis reaches that District.

6. Mr. Ellis' final report will embrace the prospects of the season, and the measures likely to be required, until the next harvest affords permanent relief, and beyond that period should the approaching harvest fail in producing the necessary provision for the sustenance of the people.
