Proceedings of the Madras Government, Judicial Department,

4th October 1866.

No. 33. Read the following letter from the Honorable C. PELLY, to the Secretary to Government, Fort Saint George ; dated Madras, 18th August 1866.

The Acting Collector of Madras having, in his letter, dated 24th July 1866, No. 369, requested that the salaries of the Peons attached to the Cantonment Joint Magistrate at Palaveram and Saint Thomas' Mount may be raised, as was done in the case of the Peons in the Revenue Department, I have the honor to report, for the information of Government, that the Establishments of Cantonment Joint Magistrates in the several Districts of the Presidency were revised by me, and they were then transferred to "Law and Justice," and did not again come under my notice when the salaries of the Peons and other office servants in the Revenue Establishments were increased. As however, the duties of the servants attached to the Joint Magistrates' office are exactly similar to those performed by the Collectors' ~~Head~~ servants, I am of opinion that their pay also should be raised to the same level.

2. The Acting Collector, in his letter above quoted, however, recommends an increase to the salaries of four Peons, but as the pay of two of these is debitable to the "Military Department," and has not at all come under my revision, I cannot undertake to submit a proposal for an increase to their pay, though it would seem proper that these two Peons also should have their pay raised.

3. In regard to the pay of the Clerks attached to the Joint Magistrates, the minimum amount of pay originally fixed, viz., Rupees 15, should also be raised to Rupees 20 per month, as the duties to be performed by the Cantonment Joint Magistrates are, in fact, similar to those performed by the Head Assistant Collectors in their Magisterial capacity, and in whose office the minimum salary fixed for Clerks is Rupees 20. In the same manner, the pay of the Attenders and Mussaljees should be raised.

4. The accompanying statement exhibits in one view the sanctioned Establishment for Joint Magistrates, as now revised. The total increase involved in the revision now proposed, amounts to Rupees 37* ; and for this amount, I request that the sanction of Government may be granted.

5. I take this opportunity to state, for the information of Government, that these Establishments are debitable to the head of "Law and Justice", and will not, therefore, be included in my general statement of Establishments, as already approved by Government in paragraph 1 of their Proceedings, dated 26th June 1866 No. 1556.

From J. R. COCKERELL, Esq., Acting Collector of Madras, to the Honorable C. PELLY ; dated Sydapet, 24th July 1866, No. 369.

I have the honor to submit, for your consideration, the case of the Peons on the Establishment of the Cantonment Magistrates at Palaveram and Saint Thomas' Mount. These Peons now receive 6 Rupees a month each, and at the revision of the salaries of Peons, their claims to an increase were apparently overlooked by mistake. They are four in number only. I imagine no difference exists between their position, and that of the Deloyets in the Revenue Department, and that their pay may, with justice, be raised to the Deloyet standard.

Proceedings of the Madras Government, Judicial Department,
4th October 1866.

No. 39. ORDER THEREON, 4th October 1866, No. 1553.

In the foregoing letter, Mr. Pelly recommends an increase of pay to certain servants on the Office Establishments assigned to the five Cantonment Magistrates, and to the Military Joint Magistrates at Palaveram and Paumben.

2. The Establishments of Cantonment Magistrates having been revised so recently as September 1865, no increase is called for, for the servants on those

Establishments. The scale entered in the statement submitted with the foregoing letter is what existed previous to the late revision.

3. The Governor in Council considers the present salaries of the 2nd Clerk, Peons, and Dufterbund attached to the Military Magistrates at Palaveram and Paumben to be sufficient, and is not prepared to sanction the increase applied for.
