*Proceedings of the Madras Government, Judicial Department,
11th October 1866.*

No. 126. Read the following letter from the Registrar General of Assurances, Madras, to the Chief Secretary to Government, Fort Saint George; dated Madras, 9th October 1866, No. 270.

I have the honor, with reference to the accompanying Proceedings of the Board of Revenue, No. 6286, of the 4th September 1866, to request permission to insert a notice in the *Fort Saint George Gazette*, inviting applications for the post of Sub-Registrar at Mangalore and Udipy from persons who have passed the First Examination in Arts, and who have a competent knowledge of Canarese.

Offices.	Registrations.	Fees.		
		Rs.	A.	P.
Mangalore.....	134	380	13	0
Udipy.....	94	208	13	0

2. The average number of monthly registrations and amount of fees collected in these offices since the 1st May 1866, are shown in the margin.

Proceedings of the Board of Revenue, dated 4th September 1866, No. 6286.
From the Collector of South Canara, to the Secretary to the Board of Revenue, Madras; dated Mangalore, 29th August 1866, No. 163.

I have the honor to state, for the information of the Board, that both the Tahsildars of Udipy and Mangalore in this District complain that the work of registration has become so onerous as seriously to interfere with the due discharge of their more proper and immediate duties.

2. I beg, therefore, to request that the Board will, in communication with the Registrar General, be good enough to make arrangements for relieving these Officers of their duties as Sub-Registrars, as soon as convenient; and I would take opportunity very strongly to recommend that the persons nominated to succeed them should be not connected in any way with the District. Relationships amongst the public servants in Canara, in all branches of the public service, exist to an extent which is scarcely credible, and although from its isolated position it cannot but to a certain extent be avoided, still there can be no question but that the existence of such a state of things is fatal to all good and efficient administration.

Forwarded to the Registrar General, with the Board's request that the desired arrangement may be made with as little delay as possible.
