Proceedings of the Madras Government, Judicial Department,
11th October 1866.

No. 130. Read the following letter from the Acting Civil and Session Judge of Bellary, to the Chief Secretary to Government, Fort Saint George; dated Bellary, 3rd October 1866, No. 20.

I have the honor to forward a Supplemental Budget Estimate, with detailed list of furniture required for the use of the Civil and Sessions Court at this Station, and to request that Government will be pleased to sanction its inclusion in the Budget for the year ending 31st March 1868.

2. The Court is very scantily supplied with furniture, and what little there is, is of very ancient date and in bad repair. The insufficient accommodation afforded both to the Court Establishment and the general public, struck me very forcibly, when compared with the Court at Salem, over which I had recently the honor to preside, and which, by the liberality of Government, has been provided with furniture suitable to the requirements of the Chief Court of the District.

3. The High Court being adjourned, I have taken the liberty of submitting this Supplemental Estimate direct, with a view to its being included in the Budget for 1867-68.

No. 131. ORDER THEREON, 11th October 1866, No. 1600.

The Acting Civil Judge is requested to state what the old furniture of his Court comprises, and how much it is likely to realize on sale. His reply should be sent to Government through the High Court.

(True Extract).

Chief Secretary.

To the Acting Civil Judge of Bellary, with two enclosures, returned.
