*Proceedings of the Madras Government, Public Works Department,
21st September 1866.*

No. 543. Read the following letter from the Superintending Engineer, 4th Division, to the Secretary to Government, Public Works Department, dated Madras, 11th September 1866, No. 2,061 :—

1. With my letter No. 6,667, dated 20th April 1865, read in Proceedings of Government, No. 1,803, dated 29th June 1865, I submitted a sketch illustrating

the site of the proposed Civil Debtors' Jail, situated near the Monegar Choultry, and immediately outside that portion of the Town wall which lies to the north of the Grand Jail.

2. On the 15th February 1866 the Municipal Commissioners asked my permission to construct a Cart-shed against the Town wall, near the Monegar Choultry; this was granted, forgetting that the site was contiguous to the piece of ground that had already been selected as the site for the Civil Debtors' Jail, of which fact I was subsequently reminded.

3. As there was no other alternative, but to procure another site for the Jail, I addressed the Commissioner of Police on the subject, and we jointly selected one, near the Mint Gate, which is considered by Captain Hearn and myself as a suitable locality for a Debtors' Prison, and preferable to the former one, as the ground is more open and spacious, and good water is more abundant.

4. Under these circumstances, I have the honor to submit a sketch plan of the new site, and solicit the approval of Government to the change of site.

No. 544. ORDER THEREON, 21st September 1866, No. 3,033.

CIVIL WORKS, No. 102.

1. The attention of the Superintending Engineer of the 4th Division will be drawn to the Orders of Government in the Judicial Department, No. 1,259, dated 15th ultimo, wherein the site selected for the new Civil Debtors' Jail at Madras is made available for the Lines of the 3rd Regiment, Light Infantry.

2. On re-consideration, the Government do not approve of the design for the Jail in question, and they resolve to request the Superintending Engineer to revise it, in communication with Mr. Chisholm and the Commissioner of Police.
