No. 329. Read the following letter from the Acting Magistrate of Kurnool, to the Chief Secretary to Government, Fort Saint George; dated Kurnool, 8th October 1866, No. 48.

I have the honor to inform you that, in June last, a poor Pariah woman, with a girl of two years old, came to Kurnool, and halted in Venkatasem Choultry. The woman died, leaving the child totally unprovided for. On the Special Deputy Collector obtaining information of the case, he ordered the child to be handed over to any person who would take care of it, intimating that an allowance for its support would be given. One Mala Chinnamah agreed to take the child, and the Deputy gave her from his own pocket Rupees 2-8-0, as an advance. The present hard times have caused Mala Chinnamah to request that she may now be relieved of her charge, and that the promise to remunerate her for her providing and attending to the child may be kept.

2. All inquiries to find out where the deceased lived has proved fruitless, and I request, therefore, that the sanction of Government may be obtained, to pay to Mala Chinnamah, for her care and support of the child, 3 Rupees per month. She first took charge of the orphan on the 15th June, so that, up to the end of last month, Rupees 10-8-0 should be paid her.

3. Were the child older, I would propose sending her to an Asylum at Madras, but, for the present, that would be impossible, unless any one going there would, for a consideration, take charge of her.

4. I would further request that Government would permit me to give orders that the child should be placed in the care of some person who would attend to its wants, and that, for such, a remuneration of 3 Rupees per month may be allowed. If I am able to get any one to adopt the child, I will do so.

No. 330. ORDER THEREON, 24th October 1866, No. 1695.

The Governor in Council is pleased to sanction the payment of the sum of Rupees (10-8-0) ten, and Annas eight, to Mala Chinnamah, for supporting the orphan child referred to, from the 15th of June 1866, to the end of last month.

2. As regards the future care of the child, the Acting Magistrate will report whether any Missionary in or near Kurnool is willing to take charge of it.

The put^t cannot ask
us here to support the child
in the absence of private
charity - but why should
she not be placed in the
hands of Missionary insti-
tution, willing to receive her
on payment? We need
not bring her up. Otherwise
it is according to our own
notions - if her own people
will not keep her
