*Proceedings of the Madras Government, Public Works Department,
25th January 1866.*

Read the following papers :—

No. 638. From the Superintending Engineer, 7th Division, to the Secretary to Government, Department Public Works, dated Coonoor, 3rd January 1866, No. 223.

I have the honor to submit for sanction plan and estimate of certain alterations required to the Moonsiff's Court-house at Palghat, consisting in the addition of a private-room for the Moonsiff himself, of a back verandah to shade his bench from the direct action of sun and rain, and of glazed windows to admit light in the monsoon, the whole to cost Rupees 700. The original papers submitted by the Range Officer, in communication with the Moonsiff, have been revised by the former under orders from the Judge and myself; and what is now proposed will greatly improve the Court. Funds are not at present available, but, if the work is sanctioned, can hereafter be applied for from the Reserve of 1866-67.

Referred to the Judicial Department.

FORT SAINT GEORGE,
8th January 1866.

(Signed) CHARLES A. ORR, Colonel, R. E.,
Secretary to Government, P. W. D.

No. 639. Memorandum from the Chief Secretary to Government, Judicial Department.

(Here enter 16th January 1866, No. 20.)

No. 640. ORDER THEREON, 25th January 1866, No. 306.

CIVIL WORKS, No. 112.

1. The estimate, amounting to Rupees 700, for certain alterations and additions to the Moonsiff's Court-house

at Palghat in the Malabar District is sanctioned. The Superintending Engineer will apply for a grant of money from the Reserve of 1866-67.

2. The Government observe that, under the new arrangement, the only entry to the Record-room appears to be by the steps which lead to the enclosure proposed to be railed off for the bench. As this will be found inconvenient, the Superintending Engineer will consider whether a gate could not be fixed in the rail, at the spot marked in pencil on the accompanying plan.

(True Extract.)

Secretary to Government.
