*Proceedings of the Madras Government, Judicial Department,
1st November 1866.*

No. 3. Read the following letter from the Inspector General of Jails, to the Chief Secretary to Government, Fort Saint George ; dated Ootacamund, 19th October 1866, No. 88.

I have the honor to submit, for the favorable consideration of Government, a letter from the Agent to the Governor in Vizagapatam, in which that Officer recommends that the allowance granted to the three State prisoners named in the margin may be increased to four Annas each

Parwatty, Gauru, Chandra.

per diem, as he is of opinion that they cannot live under that sum.

2. As the three prisoners in question are not confined in Jail, but merely under detention, I doubt whether my intervention was necessary, but I forward the application in order to avoid delay.

From the Agent to the Governor of Fort Saint George in Vizagapatam, to the Inspector General of Jails ; dated Vizagapatam, 5th October 1866, No. 255.

There are three poor women here in detention as State prisoners—Parvati, Gauru, Chandra—the surviving members of the family of the late Joginath Banj, Tat Raz, of Goomsoor, who have petitioned for an addition to the sum allowed for their support.

2. The family, when first brought into captivity, consisted of nine persons, with a total allowance of 12 Annas a day, or 1 Anna, 4 Pies per head.

3. In course of time, the nine dwindled into six, but Government were pleased to pass the Proceedings of Government, Judicial Department, No. 1213, whole 12 Annas a day, in consideration of the rise in prices.

4. Now, again, the 6 have dwindled into 3, and but 6 Annas a day are, by consequence, drawn by these survivors. They are respectable people, entirely dependent on the alms they receive from the State, and I am of opinion that they cannot live under 12 Annas a day, or 4 Annas each, for which I beg you will obtain the Government sanction.
