ORDER THEREON, 6th February 1866, No. 175.

The reports received from the Magistrates and Inspectors General of Jails and Police show a gross amount of Rupees 5791, as having been disbursed in rewards for meritorious conduct, in assisting to bring criminals to justice, or in resisting them; but irregularity, similar to that which was remarked upon in G. O., No. 1388, of the 21st September 1864, renders these returns untrustworthy.

2. The Magistrates noted in the margin have all given rewards for the capture of escaped convicts, although they have never been authorized to do so—the power of giving such rewards being vested in the Inspector General of Jails. As a consequence, both in the Salem return and that of Mr. Rohde are lists of rewards allotted to persons, in April 1864, for assisting in the apprehension of the gang of convicts which escaped in that District. In North Arcot the same persons and rewards are entered by both the Magistrate and Inspector General of Jails.

Magistrate of Malabar.
,, ,, Bellary.
,, ,, Godavery.
,, ,, South Canara.
,, ,, South Arcot.
,, ,, Salem.

3. In the Districts of Madura, Tanjore, North Arcot, Cuddapah and Coimbatore, the Magistrates have given rewards to Police Constables, without any authority. In the last named District, a reward of Rupees 100 is entered, which is also entered by Mr. Robinson, and the same is the case in the Cuddapah list, which consists principally of rewards to Constables.

Proceedings of the Madras Government, Judicial Department,
6th February 1866.

4. The returns from Nellore, Madura, Coimbatore, South Canara, South Arcot, and Cuddapah, contain no information as to the conviction of the criminals in connection with whom the rewards were given.

5. In the Kistna District rewards, amounting to Rupees 86-11-5, granted to Police for capture of illicit salt, under the provisions of Regulation I of 1805, Section 15, are erroneously entered as granted as Magisterial rewards. They are paid under a Revenue enactment, and should be (probably are) debited in the accounts to the Revenue Budget.

6. From Salem, Ganjam, and Trichinopoly, no returns were received till the end of November or December, and then only after a reminder had been sent. The reports from Cuddapah and North Arcot were also late, only having been despatched on the 31st and 11th July, respectively. The Government consider that these delays, so discreditable to the office establishments of Magistrates, might be avoided by the simple expedient of keeping a list of periodical returns due, to be made up every year, and checked every month.

7. The Government trust that the returns for the current year, which will be due in a few months, will be rendered with greater punctuality, and with greater respect to the previous orders of Government.

Order thereon 6th February 1866 No. 175.

The reports received from the Magistrates and Inspectors General of Jails and Police show a gross amount of Rs. 5,791 as

WDM JP

having

having been disbursed in rewards for meritorious conduct in assisting to bring criminals to justice, or in resisting them, but irregularity similar to that which was remarked upon in G O No. 1,388 of the 21st September 1864 renders these returns untrustworthy.

2 The Magistrates noted in the margin have all given rewards for the capture of escaped convicts, although they have never been authorized to do so – the power of giving such rewards being vested in the Inspector General of Jails. As a consequence, both in the Salem return and that of Mr. Rohde are lists of rewards allotted to persons in April 1864 for assisting in the apprehension of the gang of convicts which escaped in that district. In North Arcot the same persons and rewards are entered by both the Magistrate and Inspector General of Jails.

" —— " —— " Arcot
" —— " Salem.

3 In the districts of Madura, Tanjore, North Arcot, Cuddapah and Coimbatore the Magistrates have given rewards to Police Constables,

without

without any authority. In the last named district a reward of Rupees 100 is entered which is also entered by Mr. Robinson and the same is the case in the Cuddapah list, which consists principally of rewards to Constables.

4 The Returns from Nellore, Madura, Coimbatore South Canara, South Arcot, Cuddapah contain no information as to the conviction of the criminals in connection with whom the rewards were given

5 In the Kistna District rewards amounting to Rs. 86-11-5 granted to Police for capture of illicit salt under the provisions of Regulation I of 1805 Section 15 are erroneously entered as granted as magisterial rewards. They are paid under a Revenue enactment, and should be (probably are) debited in the Accounts to the Revenue Budget.

6 From Salem, Ganjam and Trichinopoly no returns were received till the end of November or December, and then only after a reminder had been sent. The reports from Cuddapah and North Arcot were also late, only having been despatched on the 31st & 11th July

July respectively. The Government consider that these delays so discreditable to the Office establishments of Magistrates, might be avoided by the simple expedient of keeping a list of periodical returns due to be made up every year and checked every month. ~~The submission of these returns is not a matter of very great importance, but negligence in business of so great simplicity points to carelessness in matters of greater moment.~~

omitted.

It will be to say there? Every return that the Govt. seems ought to be recorded stated as a matter of importance, if it were important, it is not worth seeing & shd be dismissed with

Wd

7 The Government trust that the returns for the current year, which will be due in a few months, will be rendered with greater punctuality, and with greater respect to the previous orders of Government.
