Proceedings of the Madras Government, Judicial Department,

3th November 1866.

No. 96. Read the following letter from the Magistrate of Trichinopoly, to the Chief Secretary to Government, Fort Saint George; dated Trichinopoly, 26th October 1866, No. 52.

In forwarding the accompanying Tabular Statement, I have the honor to request that full powers may be conferred upon Deputy Magistrate Mahomed Esuf, now in charge of the Wodiarpolliem and Parembalur Taluqs.

2. This Officer possesses lengthened Magisterial experience, and resides permanently within his charge; but, unless he has the powers now solicited, much of the benefit to be derived from his dwelling on the spot is nullified, as parties have to be forwarded to me, many miles off.

3. I have now no Assistant with any thing but 2nd Class powers, which are practically useless; thus, the greater part of the Magisterial work must fall upon me, to the detriment of the District at large. Government will observe that I have not asked that Appellate powers be granted to Mahomed Esuf.

Application for conferring full powers, under Section 23 of the Code of Criminal Procedure, on the within-mentioned Officer.

1	Paranbhar and Wediarpollem.	Deputy Magistrate in charge of Taluqs.	Mahomed Esuf Sahib.	Y. M. D. 7 15 as Deputy Magistrate, also several years Interpreter to the Madras Police Court.	Exercises the present powers of the Subordinate of the first Class from 30th March 1860.	Appointed Deputy Magistrate before the Examination Rules came into force.	Understands English thoroughly, also Tamil, Telugu, and Hindoostanee.	Mahomed Esuf had much Magisterial experience before 1860, when he was made a Deputy Collector, as he was Interpreter at the Police Court at Madras. I have always heard him highly commended as a Magisterial Officer in South Arcot, and his sphere of usefulness is much contracted by his now having only 1st Class powers in the Taluqs under his charge. This recommendation for full powers is made under Section 23 of the Code of Criminal Procedure.

Magistrate.
