Proceedings of the Madras Government, Judicial Department,

12th November 1866.

No. 119. Read the following letter from the Inspector General of Jails, to the Chief Secretary to Government, Fort Saint George; dated Ootacamund, 3rd November 1866, No. 96.

I have the honor to report that Mr. C. Dawson, Superintendent of the Jail at Neddiwuttum, has applied to me for leave of absence, for one month, from the 5th instant, in order that he may proceed to Madras, to take medical advice with respect to the state of his eyes; and, as the case is emergent, I have authorized him to leave, in anticipation of the sanction of Government.

2. Mr. Dawson has already been granted one month's privilege leave from the same date by Mr. McIvor, the Superintendent of the Government Chinchona Plantations, and a Mr. Darling has undertaken to act for Mr. Dawson, during his absence, both as Superintendent of the Plantation, and of the Jail. Mr. McIvor has known Mr. Darling for many years, and entertains no doubt of his ability to carry on the duties of the Jail. Although the convicts have been well conducted, I think it would be advisable that Mr. Darling should have the power to inflict punishment, under the provisions of Regulation X of 1832.

No. 120. ORDER THEREON, 12th November 1866, No. 1779.

The leave applied for is granted.

2. Under the provisions of Regulation I of 1833, the Governor in Council directs that, during the absence of Mr. Charles Dawson, Mr. Darling shall, as Acting Superintendent of the Neddiwuttum Jail, exercise the powers of punishment created by Regulation X of 1832.
