*Proceedings of the Madras Government, Judicial Department,
14th November 1866.*

No. 145. Read the following letter from the Agent to the Governor of Fort Saint George in Vizagapatam, to the Chief Secretary to Government, Fort Saint George; dated Vizagapatam, 26th October 1866, No. 281.

Some time ago, the Government directed that Civil Officers and their Establishments, while marching in Jeypore and the Golcondah Hills, should draw double Extra Tentage or double Batta as the case might be.

Revenue Department, 28th November 1862, No. 2507.
Judicial Department, 25th November 1863, No. 1823.

2. An Assistant on "Jummahbundy" in the Plains draws Extra Tentage, Rupees 2-10-0, and under the operation of the foregoing order, Lieutenant Smith, Assistant Agent, draws Rupees 5-4-0 while marching. After considerable experience, he assures me he finds this quite insufficient to cover his extra charges, and I can readily realize it from my own experience of hill travelling, though I draw as much again.

3. It seems that every Superintendent and Assistant Superintendent of Police draws 10 Rupees a day while marching in the same tract, and this was the amount proposed by Mr. Ricketts, late Commissioner for the revision of Civil expenditure, as a fair average allowance for the purpose. I, therefore, trust the Government will be pleased to sanction it for Lieutenant Smith, from the 1st November proximo. Besides frequent tours through his taluqs, this zealous young Officer is subjected to much exposure in the Ghaut making and Jungle clearing, which he cheerfully undertakes in addition to his current official duties.

No. 146. ORDER THEREON, 14th November 1866, No. 1798.

Under the circumstances stated, the Governor in Council is pleased to authorize the payment of the increased rate, 10 Rupees per diem, as travelling allowance to the Assistant Agent, while marching on duty on the Hills. This sanction will take effect from the 1st instant.

2. This order will be reported in due course to the Supreme Government.

No. 2392

From the Agent to the Gov. in Virginia at present.
dated 26th October 1866.

It seems to me that the applica-
-tion may be accepted. It is a
man named by Lieut. Smith
as by the Police Officer. Man-
-daring through such a country
must be expensive - and would
involve a risk of success.
Lieut. S. is I believe a military
officer.
