*Proceedings of the Madras Government, Public Works Department,
22nd January 1866.*

Read the following papers :—

No. 520. From the Officiating Superintending Engineer, 1st Division, to the Secretary to Government, Department Public Works, dated Waltair, 4th December 1865, No. 1,976.

1. I have the honor to submit, for sanction, the accompanying plan and estimate for erecting a temporary Cutcherry for the Sub-Magistrate at Royagudda in the District of Vizagapatam.

Enclosures 2.

2. The estimate in question amounts to Rupees 400, one-half of which is chargeable to the Police Department.

3. An estimate for a pukka building was sanctioned by Government in G. O. No. 3,096 of 24th October 1863, but it has not found a place in any of the printed Budgets for 1863-64, 1864-65, and 1865-66. It was therefore again entered in my Budget list for 1866-67.

4. In the meanwhile, there being no accommodation whatever for the Sub-Magistrate and Police at Royagudda, the Collector and the Superintendent of Police are very anxious to have a temporary building erected.

5. I therefore do myself the honor of requesting that an early sanction may be accorded to the enclosed estimate, one-half of the amount of which may be appropriated from the current year's grant for "Police Buildings," and the other half, viz., Rupees 200, should be allotted from the year's Reserve, as I cannot point out any source from which it can be met.

1. Referred to the Judicial Department.

2. There are no funds available for the work from the Public Works Budget.

FORT SAINT GEORGE,

(Signed) CHARLES A. ORR, Colonel, R. E.,

14th December 1865.

Secretary to Government, P. W. D.

In returning the accompanying letter and its enclosures, the Chief Secretary has the honor to inform Colonel Orr that the proposed temporary Cutcherry is urgently needed; and he would suggest that orders should be issued for its erection in anticipation of funds being available at the close of the official year.
