Proceedings of the Madras Government, Judicial Department, 16th November 1866.

No. 163. Read the following letter from the Inspector General of Jails, to the Chief Secretary to Government, Fort Saint George; dated Ootacamund, 31st October 1866, No. 93.

With reference to my letter of the 15th instant, No. 86, I have the honor to annex copy of a letter from the Deputy Quarter Master General, to the address of the Officer Commanding Vellore, to the effect that the old European Barracks in the Vellore Fort will not again be required for Military purposes, and may be permanently made over to the Civil Department.

2. In the third paragraph of my letter above quoted, I spoke of repairing two cook rooms in a range of buildings near the Old European Barrack, but it did not occur to me at the time to ascertain whether that building also could be given up. I have, however, taken steps to do so, and shall duly report the result.

From the Deputy Quarter Master General, to the Officer Commanding Vellore; dated Fort Saint George, 22nd October 1866, No. 8432.

In reply to your letter, No. 403, dated 19th September 1866, I have the honor, by desire of His Excellency the Commander-in-Chief, to request you will inform the Sub-Collector of North Arcot that the building known as Old European Barracks in the Fort at Vellore will not again be required for Military purposes. Upon this information, he can apply to Government for the permanent transfer of the building to the Civil power.
