Proceedings of the Madras Government, Judicial Department, 17th November 1866.

No. 176. Read the following letter from the Inspector General of Jails, to the Chief Secretary to Government, Fort Saint George; dated Ootacamund, 10th November 1866, No. 100.

Judicial Department, 6th November 1866, No. 1750.

With reference to the Order of Government noted in the margin, I have the honor to report that I have already requested Dr. deFabeck to place himself in communication with Mr. Barlow, with the view of arranging, as early as possible, for the transfer, either to the Old European Barrack in the Vellore Fort, or to the Mahals in the same place, as may be found most expedient, of 200 convicts. This is not a measure which I should have taken had any other resource been available, but the location of the party in the buildings in question will only be temporary, as I propose to move it to the site of the Central Jail whenever the huts are ready for occupation.

2. As soon as the completion of the transfer is communicated to me, I will report the same for your information.

No. 177. ORDER THEREON, 17th November 1866, No. 1816.

The Governor in Council approves of the arrangements reported in the foregoing letter.
