*Proceedings of the Madras Government, Judicial Department,
21st November 1866.*

No. 213. Read the following letter from the Registrar General of Assurances, Madras, to the Chief Secretary to Government, Fort Saint George; dated Madras, 7th November 1866, No. 296.

I have the honor, with reference to the Government Order, No. 1623, of the 15th October, to submit a draft Notification, altering Rule 130. I would submit, however, that an inspection once a year will probably be as much as will be found convenient, or as is absolutely necessary.

No. 214. ORDER THEREON, 21st November 1866, No. 1839.

The Governor in Council sees no reason why the Sub-Registrars' Offices at the Head Quarters of Districts should be excluded from the operation of the new Rule, as proposed.

2. As regards the inspection, by the same Agency, of Registrars' Offices, the Government direct that these Offices be not inspected while in charge of any Civil and Session Judge.

3. With these modifications, the draft Rule submitted by the Registrar General is approved, and will be published in the *Fort Saint George Gazette*.

4. In providing for the periodical examination in question, the Collectors will be guided by the instructions communicated in G. O., 15th ultimo, No. 1623.

NOTIFICATION.

Fort Saint George, 21st November 1866.

The Governor in Council is pleased to sanction the following alteration in the Rules for the Registration of Assurances, published on the 24th April 1866.

For the present Rule 130, read—

"130.—The Office of every Registrar, except that of the Registrar of Madras, and except such Registrars' Offices as may be in charge of a Civil and Session Judge, and the Office of every Sub-Registrar, shall be inspected twice a year by such Officers as Government may determine. Such Officers shall have no authority to issue any orders to the Registrars or Sub-Registrars, but shall report the result of their inspection to the Registrar General, who will thereon pass such orders as may be necessary. The Registrar General shall, from time to time, furnish the Inspecting Officers with information and instructions, with regard to the points requiring their special attention, and every facility shall be afforded to them in the performance of their duty by the Registering Officers."
