Proceedings of the Madras Government, Judicial Department,

23th November 1866.

No. 309. Read the following letter from the Commissioner of Police, to the Chief Secretary to Government, Fort Saint George; dated Madras, 24th November 1866, No. 120.

With reference to G. O., No. 3348, of the 25th September 1866, I have the honor to state that the six tents therein alluded to are no longer immediately required in the Penitentiary, as Cholera has disappeared, and the number of Prisoners has been greatly reduced since the last Sessions, when many of the Prisoners tried were sentenced simply to flogging.

2. But, on three separate occasions lately, the possession of these tents has proved of the greatest service, by rendering it possible immediately to clear out the ward in which Cholera first appeared. Three separate outbreaks of this disease have been at once checked by this simple measure.

3. I, therefore, consider it of the greatest importance to have at least six Sepoy's tents permanently in the Penitentiary Stores, ready for instant use on the appearance of Cholera, and the Medical Officer entirely concurs in this opinion. The inevitable delay of a day or two in obtaining the tents from another Department may be very dangerous.

4. I requested the Quarter Master General to inform me if the six tents now in use could be permanently given over, and I enclose his reply, stating that they cannot be spared. I request, therefore, that I may be permitted to indent on the Commissary General for six Sepoy's tents, for the use of the Penitentiary, as suggested by the Deputy Quarter Master General in his letter.

No. 310. ORDER THEREON, 28th November 1866, No. 1885.

Under the circumstances stated, the Governor in Council authorizes the Commissioner of Police to indent on the Commissary General for six Sepoy's tents, to be kept permanently for the use of the Penitentiary.

To

The Commissioner of Police
Madras

Sir,

With reference to your letter No 53 of the 21st Instant, I have the honor by order to inform you that, owing to the limited supply of Camp Equipage maintained under the revised allotment, the tents required by you for the use of the Penitentiary, cannot be granted.

2. I would suggest, with reference to the order of Government No 1221 of 21st September 1860, Judicial Department, your submitting an Indent on the Commissary General, who will make

up the tents required by you in the same manner as he would do for this Department.

3. The Budget for the year 1867/68 only provides for a sufficient number of tents for the requirements of the army. No provision has been made for such contingencies as the present and other previous requirements for Jails.

4. It is requested that the tents now at the Penitentiary, if no longer required for the purposes intended for, may be returned in communication with the Officer in Charge of the Camp Equipage Depot, after being properly disinfected.

I have the honor to be

Sir

Your Most Obedient Servant
