Sir,

I have the honor to enclose copy
of a remark made by the Dy. Inspector
General of Hospitals as to the site of the
Hospital of the Central Jail at Rajahmundry.

2. I know not how far the Government
will approve of the proposal to turn the
basement story of the Hospital into a
store room. If this be not allowed, it
is clear that we shall be put to a large
expense in raising the basement 10 feet.

3. The site of the whole Jail is very
high & open & I am personally of opinion
that Mr. Mayor's objection is not good.
But I submit the subject for instructions
from Government. I have requested
Captain Makgill to go on with the
foundation & but if Government
wish the basement raised as proposed
