*Proceedings of the Madras Government, Judicial Department,*
*12th December* 1866.

No. 69. Read the following letter from the Inspector General of Police, to the Chief Secretary to Government, Fort Saint George; dated Madras, 30th November 1866, No. 1990.

Account Department.

With reference to Proceedings of Government, No. 508, dated 6th April 1866, Judicial Department, I have the honor to enclose an application from the Civil Surgeon at Tellicherry, No. 43, dated 18th September last, for an extra allowance to the Dresser attached to the Civil Dispensary at that Station, for medical aid rendered to the large number of Police.

2. There is no Police Dresser at this Station.

3. The Principal Inspector General, Medical Department, is of opinion that the Dresser "is entitled to a monthly allowance of Rupees 5, for performing the duties of the Police Hospital in addition to his own duties, like all other Dressers in similar circumstances, to whom Government have sanctioned the same amount, wherever Police duties have been superadded to their own."

---

From the Acting Civil Surgeon, Tellicherry, to the Superintendent of Police, North Malabar, Tellicherry; dated Tellicherry, 18th September 1866, No. 43.

In Proceedings of Government, dated 6th April 1866, I observe that an extra allowance is granted to Dressers attached to the Police, and affording medical aid to them, in addition to their other duties. I, therefore, beg to bring to your notice that 1st Dresser M. Appavoo Pillay, No. 362, attached to the Civil Dispensary, has much to do in attending to this Institution, the large number of Police cases admitted into it requiring his constant presence and attention.

2. In addition, he has had to attend to the Police Hospital since its formation here, in May 1865, for which he has received no allowance.

3. First Dresser M. Appavoo Pillay is very willing, zealous, and active. During the last outbreak of Cholera in Jail, when the Jail Dresser was removed into Camp, he gave me willing and great help in the treatment of those of the sick who had to be detained in the Jail; and, as I think he is worthy of consideration, I would be obliged if you would kindly recommend him to Government for the extra allowance.

---

No. 70. ORDER THEREON, 12th December 1866, No. 1933.

The Governor in Council is pleased to sanction the payment of an extra monthly allowance of Rupees (5) five to the Dresser attached to the Civil Dispensary at Tellicherry, for medical aid rendered to the Police at that Station.

*Proceedings of the Madras Government, Judicial Department,*
*6th April* 1866.

Read the following papers:—

No. 51. From the Accountant General, Madras, to the Chief Secretary to Government, Fort Saint George; dated 16th February 1866, No. 271.

Post Audit Department.

I have the honor to request the favor of being informed whether the allowances sanctioned to Native Surgeons and Apothecaries in the Financial Order of the Government of India, No. 1995, dated 14th April 1864, while in Medical charge of the Police, may be passed to Dressers posted to the same charge by competent authority.

Referred to the Principal Inspector General, Medical Department, for his opinion.

FORT SAINT GEORGE,
*22nd March* 1866.

(Signed) J. GROSE,
*Acting Under Secretary.*

No. 52. From the Principal Inspector General, Medical Department, Fort Saint George, to the Chief Secretary to Government, Fort Saint George; dated 24th March 1866, No. 115.

In returning the letter* of the Accountant General, referred with your docket of the 22nd instant, I have the honor to state, for the information of Government, that the allowance granted to Native Surgeons and Apothecaries, for the Medical charge of the Police, should, in my opinion, be also granted to Dressers, when placed in similar circumstances. There are already a few Dressers to whom Government have authorized extra allowance, for affording Medical aid to the Police in addition to their other duties.

* No. 271, 16th February 1866.

No. 53. ORDER THEREON, 6th April 1866, No. 508.

The foregoing letter from the Principal Inspector General, Medical Department, will be communicated to the Accountant General.

2. The Governor in Council concurs in the opinion of the Principal Inspector General.
