Proceedings of the Madras Government, Judicial Department,

15th December 1866.

No. 95. Read the following Proceedings of Government in the Public Works Department, dated 30th November 1866, No. 3819.

Allotting Rupees 4200 for providing accommodation for the Police Guard and Convicts to be employed on the Jail buildings at Madura. (Vide Proceedings, Public Works Department, dated 30th November 1866, Nos. 671 & 672.)

No. 96. ORDER THEREON, 15th December 1866, No. 1949.

Communicated to the Inspector General of Jails, in continuation of G. O. of the 24th October last, No. 1686.

(Signed) A. J. ARBUTHNOT,
Chief Secretary.

To the Inspector General of Jails.

Exd. J. Tulloch.

No. 671. Read the following letter from the Officiating Superintending Engineer, 8th Division, to the Secretary to Government, Department Public Works, dated Madura, 19th November 1866, No. 1,393 :—

1. In reply to G. O. No. 3,304 of the 16th October 1866, I have the honor to report that the sum estimated to be required for hutting the Convicts, Police Guard, &c., at the new Jail at Madura, is Rupees 4,200.

2. At the time of my proposing to have funds transferred from Repairs Civil Buildings, I was not prepared to give a definite estimate, and find, from recent requirements, that the repair allotment is not sufficient for the purpose.

The funds that remain available under the head Civil Buildings, are—

	Rs.
Madura District, Minor New Works	513
Tinnevelly do do	332
Madura District, Repairs...	1,700
Tinnevelly...	755
Total	3,300

and there is only a sum of Rupees 2,455 that can be transferred from Repairs to New Works.

3. There thus remains a balance of Rupees 900 to be provided, but I would much prefer to have a special grant made, of Rupees 4,200, if the Government can allot the money from Jail funds, or any other source. The small allotments for Minor Works can be advantageously transferred to the head Agricultural, when a final arrangement of funds is made in January; at the same time, the balances of repair allotments for Civil Buildings can be transferred with great benefit to Repairs Agricultural, especially considering that emergent repairs have recently been necessitated by the heavy rains in the Madura District.

4. I have also to make provision before the end of the year for Rupees 455 on improvements to Subsidiary Jails in Tinnevelly District, as directed in G. O. No. 3,274 of the 13th October, and to adjust this sum from the allotments for Minor New Works, is the most legitimate appropriation of those funds.

No. 672. ORDER THEREON, 30th November 1866, No. 3,819.

ACCOUNT, No. 54.

As it appears from this letter that the Officiating Superintending Engineer of the 8th Division is unable to spare any money from his repair allotment to meet the charge for providing accommodation for the Police, and for the Convicts to be employed on the Jail buildings at Madura, the Government resolve to make a grant of Rupees 4,200, from the Reserve under "Civil Buildings."
