PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following papers :—

From the Inspr. Genl. of Ordce. and Magazines. Here enter 14th November 1866, No. 191.
Report from the Controller of Military Accts. ... ,, 19th ,, ,, B.

From the Inspector General of Ordnance and Magazines, Fort Saint George, 14th November 1866, No. 191 ; to the Secretary to Government, Military Department.

I have the honor to bring to the notice of Government, that the Inspector General of Jails has submitted a requisition to this Department for articles as per margin—of these stores the coal tar is the only one available, and may be spared, with the sanction of Government, from supplies* now on their way out from England, obtained for sanitary purposes.

Chains for fetters.	
Chains $\frac{5}{16}$ *inch*	= 14 *cwt.*
,, $\frac{1}{4}$,,	= 1 *ton.*
Rod iron $\frac{5}{8}$,,	10 *cwt.*
Coal tar	100 *casks.*

* 1,200 *Barrels expected in* 1866-67.

2. Under these circumstances, I have the honor to solicit the orders of Government as to whether, now that the expenditure of each Department is strictly limited by the Grants assigned to it, requisitions of the nature referred to above are to be provided for, and met by this Department.

With report from the Controller of Military Accounts, 19th November 1866, *B.*

ORDER, No. 4197, 1st December 1866.

As the quantity of Coal tar applied for by the Inspector General of Jails is available and can be spared by the Ordnance Department, there is no objection to the requisition for that article being complied with.

2. The Governor in Council considers, however, that supplies of the nature referred to in the foregoing correspondence, should be obtained direct by departments requiring them, the necessary funds being provided in departmental budgets.
