No. 679. Read the following letter from the Officiating Superintending Engineer, 8th Division, to the Secretary to Government, Department Public Works, dated Madura, 19th November 1866, No. 1,395 :—

1. It was observed in G. O.* Judicial Department, that orders would be issued in the Public Works Department for the disposal by auction of the old Gin-house at Shevagasi, but in G. O. Public Works Department, No. 1,778 of the 6th June 1866, I was merely required to furnish a plan and estimate for building a Police Office at Covilputty. The Superintendent of Police, Tinnevelly, informs me that the Gin-house is vacated and no longer required by him, and I have the honor to request I may be informed if I should proceed to sell the building by auction.

* No. 842 of 30th May 1866.

2. I do not myself see what concern it is of this Department, the building has never been in my charge, nor will the proceeds be credited to the Public Works Department. The Government in sanctioning the estimate of Rupees 2,900, authorized the construction of the Station-house at Covilputty being carried on, if the Inspector General of Police could provide the funds: but nothing has been done, and I am given to understand that a new Station-house will not now be required as another building is likely to be available.

No. 2,871, 8th September 1866.

No. 680. ORDER THEREON, 30th November 1866, No. 3,823.

CIVIL WORKS, No. 139.

1. The Superintending Engineer of the 8th Division is informed that under the Orders of Government marginally noted, the sale of the old Gin-house at Shevagasi should be left to the Collector of the District.

R D., No. 477, dated 6th March 1863. Communicated in Public Works Department, No. 664, dated 18th March 1863.

2. Paragraph 2 will be communicated to the Inspector General of Police for early report.
