*Proceedings of the Madras Government, Judicial Department,
19th December 1866.*

No. 150. Read the following letter from the Inspector General of Jails, to the Chief Secretary to Government, Fort Saint George; dated Ootacamund, 1st December 1866, No. 106.

I have the honor to forward, for favorable consideration, a letter from the Superintendent of the Jail at Bellary, and one from the Surgeon in Medical charge thereof, recommending the release of a Convict, named Kurree Bussavah, under the provisions of paragraph 279 of the Jail Rules.

2. It appears that the Convict was sentenced to rigorous imprisonment for five years on the 10th July 1865, for robbery, and has been under treatment for paralysis since the 10th November of the same year. He is now pronounced incurable, and incapable of committing any further crime.

From the Superintendent of the Jail at Bellary, to the Inspector General of Jails; dated Bellary, 17th November 1866, No. 314.

In forwarding the enclosed original letter from the Officer in Medical charge of the Jail, recommending the release, as an incurable, of one Kurree Bussavah, a Convict in this Jail, I have the honor to state that I concur with Dr. Stevens in considering the prisoner quite incapable of committing any further crime, and a fit subject for release.

2. Kurree Bussavah was convicted of robbery by the Session Judge on the 10th July 1865, and sentenced to 5 years' rigorous imprisonment. He was admitted to hospital on the 10th November 1865, and has for many months past been in a most hopeless condition, and totally bed-ridden.

From Surgeon Major J. B. STEVENS, Garrison Surgeon of Bellary, in Medical charge of the Jail, to the Superintendent of the District Jail, Bellary; dated Bellary, 16th November 1866, No. 27-J.

I have the honor to bring to your notice, that a young lad, name as per margin, a convicted Prisoner for five years, has become completely bed-ridden with Paralysis, and has been in Hospital under treatment since 10th November 1865. The disease now is incurable. I should suggest that this lad's case should be taken into consideration, and that he should be permitted to return to his village, as he is never likely to be able to commit offence again.

No. 151. ORDER THEREON, 19th December 1866, No. 1982.

The Governor in Council does not consider himself justified in remitting a sentence, or any part thereof, on the ground stated in the foregoing letter, viz., that the Convict in question is suffering from incurable disease.
