*Proceedings of the Madras Government, Judicial Department,  
3rd January 1866.*

No. 1. Read the following letter from the Magistrate of Malabar, to the Chief Secretary to Government, Fort Saint George; dated Calicut, 13th December 1865, No. 156.

I have the honor to enclose an original letter from Captain Davies, representing that Ahamata Kurikal, the Police Inspector whose conduct was so good on the occasion\* of the late Moplah outrage in the Nemini Amshom of Walawanaid

Dated 13th December 1865, No. 497, (to be returned.)

\*Vide Proceedings of Government, dated 31st October 1865, No. 1554.

Taluq, would much prefer the gift of a sword to that of Rupees 200 which Government were pleased to award him.

2. The feeling that prompts this request is commendable, and I would beg that a sword be procured; or that sanction be granted me to procure a suitable one for presentation to the Inspector.

3. I take this opportunity of reporting that I had some conversation with Moytutti, Adigari of Nemini, as to the shape in which the approbation of Government would be most acceptably shown.

4. A sum of money he would not care about: an ornament would be preferred; but an honorary increase to his pay would be by far the most gratifying to him, and under the circumstances I would recommend this being allowed. He now gets Rupees 5½ per mensem. If this be raised to Rupees 10, or even to Rupees 8 per mensem, I am sure the boon would be most grateful to the recipient, and I think have a good effect throughout the District.

5. The increase could be met from the 10 per cent. cess for Amshom servants, the proceeds of which are considerably in advance of the disbursements.

From the Superintendent of Police, South Malabar, to the Magistrate of Malabar, Calicut; dated Calicut, 13th December 1865, No. 497.

I have the honor to inform you that Inspector Ahamata Kurikal is anxious that the reward of Rupees 200, granted to him by Government for his good conduct in detecting the late murder case in Angaddipuram Division, may be given to him in the shape of a sword instead of money. I would strongly recommend that his request be acceded to; he is a man of respectable family and position, and considers the honor of receiving a sword much greater than its equivalent in Rupees.

2. I shall be obliged if you will therefore have the goodness to obtain the sanction of Government in the matter.

No. 2. ORDER THEREON, 3rd January 1866, No. 1.

The Governor in Council authorizes the Magistrate of Malabar to procure a suitable sword for presentation to Ahamata Kurikal, Inspector of Police, in recognition of his good conduct in the case referred to in the foregoing letter. His Excellency in Council also sanctions the Magistrate's proposal that the salary of Moytutti, Adigari of Nemini, be raised to Rupees 10 per mensem. This increase will take effect from the 1st November 1865.
