MADRAS POLICE,
COMMISSIONER'S OFFICE,
19th January 1866.

To the Chief Secretary to Government, Fort Saint George, with reference to the order of Government, dated 21st September 1860, No. 1214, Judicial Department.

Proceedings of the Madras Government, Judicial Department,
15th February 1866.

No. 138. ORDER THEREON, 15th February 1866, No. 221.

The Government observe that 172 double and single barrelled guns have been imported during the last half of 1865. They desire to be informed whether the Commissioner of Police has any knowledge of what becomes of these guns, which cannot have been absorbed by the European community for sporting purposes.

2. They wish also to be informed whether any control is exercised over, or check applied to, the importation of fire-arms in quantities.

(True Extract).

Chief Secretary.

To the Commissioner of Police, Madras.

Ed. J. H. Burns.

I should ask the Comr. of Police Madras
if he has any Knowledge of what has
become of the 34+89+26+12 = 181
double & single barrel guns which have
been imported under the Licenses issued
by him? - also whether he exercises any
control over or applies any check to the
importation of firearms in quantities. -
It is clear for instance I think that the
89 double & single barrel guns entered
in the list cannot have been retained
by the Sporting European public. I
of what use can he be, if he does not
possess himself of the information
where these arms are disposed of?
