Sir,

As directed in the Proceedings of Government Judicial Department dated 10th October 1865 No 1442, I have the honor to forward a Statement prepared in the prescribed form showing at what places and for what periods, the several subordinate European Officers of the Magistracy in this District have resided during the six months ending on the 30th Ultimo.

2. The names of the two Joint Magistrates and the Special Asst. Collector on the Neilgherries are not included in the Statement as the former two have always resided in their respective head

Quarters, and as the latter has been employed exclusively in the Revenue Department in connection with the disposal of applications for land under the waste land Rules on the Neilgherries.

3. The absence of Mr Cole Deputy Collector on Special duty in Madras and the transfer of Iyaloo Naidos Deputy Collector Northern Division to North Arcot deprived the District at the same time of the services of two Magistrates exercising full powers and resident in their Divisions. Their duties fell temporarily on the other Magistrates. It was therefore considered advisable to ask the Joint Magistrate to undertake the duties of the Northern Division Deputy's charge and in view to the convenience of all parties, he came to Head Quarters, decidedly the most advantageous Station for his presence under the Circumstances.
