Proceedings of the Madras Government, Judicial Department,
7th March 1866.

Read the following papers :—

No. 40. From the Accountant General, Madras, to the Chief Secretary to Government, Fort Saint George ; dated 6th December 1865, No. 187.

Post Audit Department.

A District officer asks whether an Apothecary summoned to a Taluq Station to examine a prisoner sentenced to be flogged can claim mileage. The Order most nearly in point (1167, dated 23rd August last) gives such allowance to Surgeons summoned to examine corpses; but I have the honor to ask for instructions on the new point, and also that if an allowance be granted, I be advised of the officers competent to pass a sentence which may necessitate such a journey.

Referred to the Principal Inspector General, Medical Department, for his opinion.

FORT SAINT GEORGE,
19*th December* 1865.

(Signed) A. J. ARBUTHNOT,
Chief Secretary.

No. 41. From the Principal Inspector General, Medical Department, Fort Saint George, to the Chief Secretary to Government, Fort Saint George ; dated 23rd December 1865, No. 389.

In returning letter No. 187, of 6th December 1865, from the Accountant General, to your address, received with your docket of the 19th instant, I have the honor to state, that I am not aware of any Order authorizing an Apothecary to claim mileage when summoned to a Taluq station to examine a prisoner sentenced to be flogged; but I am of opinion, that it is very desirable, and only just towards Medical Subordinates, that such an allowance should be granted, and I would suggest for the favorable consideration of Government, that when summoned on such a duty to any distance exceeding two miles, a Medical Subordinate of or above the rank of an Assistant Apothecary should receive travelling allowance at the rate of six Annas a mile, and those below that rank an allowance at the rate of four Annas a mile.

No. 42. ORDER THEREON, 7th March 1866, No. 347.

The Governor in Council directs that Medical Subordinates, when required to proceed to any distance beyond five miles, to be present at the execution of sentence of flogging, shall receive travelling allowance at the rate of four Annas a mile.

2. All Session Judges, Principal Sudder Ameens, and Magistrates with full powers, and all Subordinate Magistrates of the 1st Class, are competent to pass sentences of whipping.
