Proceedings of the Madras Government, Judicial Department, 7th March 1866.

No. 52. Read the following Despatch from the Right Honorable the Secretary of State for India, to His Excellency the Honorable the Governor in Council, Fort Saint George; dated India Office, London, 25th January 1866, No. 1.

I, herewith, forward to you, for the purpose of being returned to the Memorialists, two petitions received from certain Vakeels of the High Court of Judicature at Madras, and which ought to have come through your Government.

2. I have to request that you will, at the same time, point out to the Memorialists that, even had their petitions been forwarded in due form, it would not have been in my power to have complied with their request for the introduction of a clause into the Fresh Letters Patent of the High Court at your Presidency, as the said Letters Patent had, prior to the receipt of the petitions, passed under the Great Seal.

3. I have to observe that the Fresh Letters Patent leave it in the power of the High Court to deal with the subject of the Memorialists' position at its discretion.

No. 53. ORDER THEREON, 7th March 1866, No. 353.

Ordered that the Memorials received with the foregoing Despatch be returned to the writers thereof, with the intimation that the petitions in question ought to have been submitted through the Local Government.

2. At the same time, the Memorialists are informed that, even had their Memorials been forwarded in due form, it would not have been in the power of Her Majesty's Government to have complied with their request for the introduction of a clause into the Fresh Letters Patent of the High Court, as the said Letters Patent had passed under the Great Seal prior to the receipt of the petitions. The Fresh Letters Patent, however, leave it in the power of the High Court to deal with the subject of the Memorialists' position at its descretion.
