Proceedings of the Madras Government, Judicial Department,
15th March 1866.

No. 115. Read the following letter from the Magistrate of Bellary, to the Chief Secretary to Government, Fort Saint George; dated Gooty, 7th March 1866, No. 15.

I have the honor to state that the three Soldiers named in the margin, belonging to D. Battery of the Royal Artillery at this station, having deserted, they were apprehended in the Bombay Presidency, and sent from thence to Bellary, under the charge of the Police, and that a sum of Rupees 4-8-0 was disbursed to them in this District, as subsistence allowance for three days, at the rate of eight Annas each per diem.

George Metcalf.
John Hamilton.

2. As the above rate of eight Annas is higher than that sanctioned in the Proceedings of the Madras Government, dated 1st September 1862, No. 1430, and as this concession was found necessary, owing to the excessively high prices then ruling, I request that you will be good enough to obtain the sanction of Government for my entering the charge in the monthly Contingent Bill.

No. 116. ORDER THEREON, 15th March 1866, No. 383.

The Magistrate of Bellary is permitted to enter in his monthly Contingent Bill the charge incurred on account of the subsistence of the Soldiers named in his letter.
