Proceedings of the Madras Government, Judicial Department,
19th March 1866.

Read the following papers :—

No. 134. From the Registrar General of Assurances, to the Chief Secretary to Government, Fort Saint George; dated Madras, 18th January 1866, No. 17.

I have the honor to submit a contingent bill for Rupees 184-12-0, on account of cocoanut oil, lamp oil, wood, and thread, expended in the Government Press, in connection with the new edition of Registers and Indexes.

2. This is the second bill which has come in for items of this description, and I have, of course, no means of judging whether it is necessary that the Registers should be printed at night. It was with a view to prevent undue haste or extra expenditure that I applied for permission to print the new editions so far back as the 25th July.

No. 135. From the Registrar General of Assurances, to the Chief Secretary to Government, Fort Saint George; dated Madras, 23rd January 1866, No. 18.

I have the honor to submit a contingent bill for Rupees 79-2-4, on account of expenses incurred in the Government Press, in connection with the new edition of Registers.

No. 136. ORDER THEREON, 19th March 1866, No. 399.

The bills submitted are sanctioned.

2. The Government remark that it is, of course, impossible that the ordinary work of the Press can be suspended, and that extra work, like that of the Registration Department, must bear the enhanced cost which is rendered necessary by its being undertaken in addition to the regular work of the Press, and by its being performed out of the ordinary working hours.
