Proceedings of the Madras Government, Judicial Department

17th March 1866.

No. 140. Read the following letter from the Magistrate of South Arcot, to the Chief Secretary to Government, Fort Saint George; dated Cuddalore, 3rd March 1866, No. 5.

I am in receipt of the Government Proceedings, 27th February last, No. 292, recorded on my letter of the 16th idem.

2. The present orders are, of course, sufficient authority for me to require of the Officers named in my previous letter to exercise the powers therein sought to be specially conferred on them by Government; but, in explanation of my application, I beg to draw attention to the Government Orders of 12th July 1865, No. 970, which seemed to me to prohibit the exercise of any powers under the Code by newly appointed Assistants, unless simultaneously with their appointment those powers were defined.

3. I have at once acted on the present orders, and have directed Messrs. Hall and Thomas to hold preliminary inquiries, and commit to the Session Court.

No. 141. ORDER THEREON, 17th March 1866, No. 402.

The Magistrate is informed that the Order of the 12th July last, No. 970, which he quotes, refers to powers to be conferred under Sections 22 and 23 of the Code of Criminal Procedure, the Government having in their previous Order, No. 969 of the same date, declared that Sub-Magistrates possess the power to hold preliminary inquiries and to commit persons to the Court of Session, in virtue of their appointment, and that it is consequently unnecessary to confer that power expressly under the provisions of Section 38.
