No. 189. Read the following letter from the Registrar General of Assurances, to the Chief Secretary to Government, Fort Saint George; dated Madras, 8th March 1866, No. 62.

I have the honor, with reference to the Government Order, No. 638, of the 29th April, to submit a Return showing the actual contingent expenditure of the Calendar year, as compared with the estimate.

2. As the Contingent bills fall due in the month succeeding that in which the expenditure is incurred, and as no bills could be presented in January 1865, the account, although showing the amount disbursed from the Treasury during the year, includes the expenditure of only 11 months.

3. It will be observed that the total estimated expenditure was Rupees 1765-8-0, while the actual disbursements from the Treasury amounted to Rupees 1339-7-0, being less than the estimate by Rupees 426-7-5. The estimate has been slightly exceeded at Vizagapatam and Tranquebar, while there has been no expenditure at Coimbatore, and hardly any at Cuddapah.

4. The value of the stationery and packing materials received on indent, without payment, from the Stationery Office, are shown in a separate column. Most of these were required for the purpose of striking off, packing, and despatching supplies of printed forms for abstracts of registration, monthly Returns, and Circular Orders to all the District and Deputy Register Offices.

RETURN of Contingent expenditure of the Calendar year 1865.
