Read the following papers:—

No. 249. From the Inspector General of Police, to the Chief Secretary to Government, Fort Saint George; dated Madras, 23rd February 1856, No. 299.

With reference to the accompanying Order of Government, I have the honor to request the sanction of Government to submit a bill for cash payment for the Police so detached, under Section 13 of the Police Act.

2. There is nothing in the Budget; and, as it is, we cannot keep up the strength of the District Force on account of these Hill requisitions.

3. I venture to suggest that the principle laid down by the Supreme Government be followed in these requisitions, viz., that the nature of the duty be pointed out to the Police Officers, and that they be called on to estimate the strength required to perform it. The Deputy Inspector General clearly considers that men are wasted here by the scale laid down by the Military authorities.

Proceedings of Government in the Military Department, dated 27th January 1866, No. 373.

Read the following papers.

From the Quarter Master General.

Forwards, with observations, a letter from the Officer Commanding Southern Division, requesting that instructions may be issued to the Police authorities, to place a Petty Officer and 16 Peons at the disposal of the Officer Commanding Wellington, for guarding the buildings about to be vacated by the 105th Regiment. (Here enter 20th January 1866, No. 861).

With report from the Controller of Military Accounts, dated 26th January 1866, C.

With reference to the above order, the undersigned has the honor to report that one Head Constable and 16 Constables have been detailed to proceed to Wellington, to day, to take charge of the buildings vacated by Her Majesty 105th Regiment.

1*st February* 1866.

To the Assistant Inspector General, Madras Police.

Proceedings of the Madras Government, Judicial Department,
31st March 1866.

With reference to the concluding part of the foregoing letter, the Inspector General of Police is requested to state what he considers to be a sufficient Force for the performance of the duty for which he has been called upon to provide on the present occasion.

FORT SAINT GEORGE,
5th March 1866.

(Signed) A. J. ARBUTHNOT,
Chief Secretary.

No. 250. From the Inspector General of Police, to the Chief Secretary to Government, Fort Saint George; dated Kotagherry, 12th March 1866, No. 420.

With reference to your Endorsement, dated 5th instant, on my letter dated 23rd February, on the subject of the requisition by the Military authorities to furnish a Police Guard at Wellington, I have the honor to state that the Police were relieved on the 1st instant. Further discussion seems unnecessary.

2. Five (5) men would have sufficed.
