No. 17. Read the following letter from the Officiating Principal Inspector General, Medical Department, to the Chief Secretary to Government, Fort Saint George; dated Fort Saint George, 21st March 1866, No. 110.

I have the honor to bring to the notice of Government that the sick of the Mofussil Police and Convicts in the Jail at Vellore are treated (the latter in a separate ward) in the Garrison Hospital (a Military Establishment). It is very desirable that a separate establishment should be provided for these Civil patients, as the treatment of the sick of so many different departments in one Hospital necessitates a great amount of scriptory work, which, together with the professional duties, is reported by the Medical Officer to be more than the one Subordinate in the Military Department, now allowed for the Vellore Garrison Hospital, can efficiently perform; and in this opinion I concur.

2. I, therefore, respectfully request that the appointment of a 1st or 2nd Dresser may be sanctioned for the sick of the Police and Convicts in the Jail.

No. 18. ORDER THEREON, 5th April 1866, No. 489.

His Excellency the Governor in Council sanctions the appointment of a 2nd Dresser for attendance on the Police and Convicts in the Vellore Jail.
